Extract copy of the resolutions of the Acadentic Committee meeting held on 18 November 2023

AVERAGE FEEDBACK ANALYSIS ON CURRICULUM & ITS THANSACTION OF 12 DEPARTMENTS OF BA. AND B.SC. COURSES BY THE STAKEHOLDERS (STUDENT, TEACHER, EMPLOYER AND ALUMINI) OF NG. MANI COLLEGE FOR THE ACADEMIC SESSION 2022-23

Student feedback:

- 69% students opined very good feedback on the content of syllabus of courses and it of students and 30% of students said good in feedback.
- 67% students opined very good feedback on relevance of coverage and delivery of syllabus and 35% students said good in syllabus feedback.
- 61% of students opined very good feedback on course outcomes and 40% of students said good on course outcomes feedback.
- 73% students opined that they found it very good in the student teacher interaction in the classes and 25% students said good in feedback of student teacher interaction.
- 62% of students said very good about the use of teaching aids and ICT to facilitate teaching and learning process and 39% opined good in teaching aids and ICT facilities.
- 69% of students opined very good feedback on relevance of theory and practical in classes and 30% of students said good feedback in theory and practical.

Teacher feedback :

- 68% of teachers are satisfied with giving very good feedback about in the content and extent of syllabus covered and delivery in the class.
- 78% of teachers are satisfied with very good feedback on relevance of course outcomes.
- 77% of teachers opined very good and satisfied with student teacher interaction.
- 67% of teachers said good feedback about use of teaching aids and ICT in the class to facilitate teaching and learning process.
- 84% of teachers are satisfied with opined and very good about the Integration of theory and practical in classes.

Employer feedback:

- 73% of Employers fully agreed to a very good feedback on the content and extent of syllabus covered and delivery.
- 57% of Employers are satisfied with very good feedback on relevance of course outcomes.
- 59% of Employers opined with very good feedback in the student teacher interaction .
- 57% of Employers are satisfied with very good feedback in the use of teaching aids and ICT to facilitate teaching and learning process.
- 58% Employers fully agreed to a very good feedback in the integration of theory and practical.

Alumni feedback:

- 82% of Alumni are fully agreed to a very good feedback on the content and extent of syllabus covered and delivery.
- 68% of Alumni are satisfied with very good feedback on relevance of course outcomes
- 61% of Alumni opined with very good feedback in the student teacher interaction.
- 58% of Alumni are satisfied with very good feedback in the use of teaching aids and ICT to facilitate teaching and learning process.
- 66% Alumni fully agreed to as very good feedback in the Integration of theory and practical.

Resolution no. 1

Average feedback analysis and action taken reports on curriculum & in transaction of 6(six) Departments in B.A. courses English, Manipuri, Economics, Education, History, Political Science) and 6(six) Departments in BSc courses (Evs, Botany, Chemistry, Mathematics, Physics, Zoology) from three each of the stakeholders namely 1 Students 2. Teachers 3. Employers and & Alumni of NG.MANI College, Khurai for the academic session 2022-23 submitted by the IQAC & Feedback, Co-ordinator, NG.MANI college placed in the meeting. After thorough discussion, the members expressed their satisfaction with the action taken by the IQAC on various Feedbacks for the smooth functioning of the college.
